

Here is the update for the festival events on Saturday.

The weather is starting to look bad for here, they are calling for tropical storm conditions, lots of rain and wind starting early Saturday morning into the evening.

We are moving what we can into the high school gym for the day. All pirates and entertainers will be on hand inside for events. The parade, barrel race and fireworks are cancelled until next year. A schedule for events in the gym will be as follows, 11am pirate games and interaction with pirates. 12pm kids pirate pageant. 1pm Performance by Rockin Ron the Friendly Pirate, 2pm stories by Longshanks, 3pm pirate games and interaction with pirates, 4pm Performance by Ravenbanes Firecraft. Times may vary if needed. Please try to enter from back door of gym.

The Suddy Road Race has been moved to Sunday morning.

Today and Sunday look like the best days so be sure to attend all the events you can during these days.

I hope many get to the ball tonight at the chowder house as this will be a great event.
